We have decided to start creating **Ever After High Birthday invitations**.

The following one can be printed in a letter size paper. You just need to print and cut it out, then fold it in the middle.

At the front cover you have the four main characters: Briar Beauty, Apple White, Raven Queen and Madeline hatter, so all your guests whether they are Royal or Rebel will like this invitation. At the back cover a encouraging and beautiful message is written: Believe in fairytales. Rewrite your destiny. Happily Ever After starts now! Dream

Inside you can writte your own wording and personalize it for every friend you have invited. Remember to fill it with all the information of the party: Date, place, hour, things they have to bring….

We hope you like it!

Thank you!
